Research-based analysis of European youth programmes

Your experience with the Erasmus+ Programme

What is this survey about, and who is it for?

This survey is about your experience with the Erasmus+ Youth Programme, about what you have learned, what you have enjoyed, what has gone well – or not so well. The results of this survey will contribute to the further development of the European youth programmes. It is conducted by the RAY Network – the open Network for the Research-based Analysis of European Youth Programmes.

How will we handle your response?

Your answers are fully anonymous. We will not ask you for any personal details that could identify you. We use the open-source survey software LimeSurvey for this survey. We do not track your online behaviour in any way. We use only first-party, non-persistent cookies so that we do not lose any of your answers until you submit all of them. We do not store your IP number used to access the survey, or the referrer URL that brought you here. If you wish, you can also use a TOR browser to access the survey.

How long will this take?

It will likely take between 15 and 18 minutes to respond to the survey, but some questions might also make you think a little longer. Thank you very much in advance for your time!

There are 73 questions in this survey.
